

CONSTRUCTIONSKILLS SITE MANAGEMENT SAFETY TRAINING SCHEME – REFRESHER COURSE

COURSE OBJECTIVES

Upon completion of the course delegates should be able to:

- Understand the changes to Health and Safety legislation - particularly in the construction industry
- Be aware of accident trends and prevention techniques
- Understand the principle of working at height
- Understand the changes to COSHH
- Appreciate the need to be aware of stress related problems
- Devise and use effective communication with the work force
- Manage a site safely in compliance with existing legislation

WHO SHOULD ATTEND

Those who have previously completed their SMSTS course 5 years ago (or more) and wish to renew their certificate. They can undertake the refresher course within 6 months either side of your SMSTS pass date.

COURSE DURATION

The course is run for two consecutive days in a week.

CONSTRUCTIONSKILLS CHARGES AND GRANTS

Those Organisations who are in scope for grants as ConstructionSkills levy payers are entitled to claim £35 per day per delegate and a £100 achievement grant.
